

Camden Street

No. 77 Lower Camden Street is a bright and airy, brand new refurbished building in the heart of Dublin with good transport links. It offers a vibrant working environment close to some of the best shopping streets, pubs, bars and restaurants. It is an ideal location for SMEs wanting to be in heart of the city and all it has to offer. The Camden Street office building is divided into small offices that can accommodate between 1-14 workstations. All offices have access to a bookable boardroom, kitchenette and an onsite receptionist. We offer short term all-inclusive licences from 6 months plus.
